

NEW LIFE FOR GIRLS

MINISTRY IN ACTION

LOVING, CARING, AND SHARING SINCE 1972

APRIL 2009

CARMELA J. PACHECO

On March 12, 2009, Carmela went home to be with the Lord. Carmela had a passionate love for God, her family, and for the ministry of New Life For Girls. She had the ability to inspire loyalty and bring out the best in people. She believed in others when no one else would. She was compassionate, yet would not allow one to feel sorry for themselves. She knew how to snap people out of it when needed. Carmela was practical, focused, determined, and knowledgeable. She was tireless to a fault. Everyone else always came first. She was a woman of a few words. She was our female E.F. Hutton. When Carmela spoke, people listened because her words had substance. Her life as she lived it out before us lined up with her words. She was a woman of wisdom who had something to say. Carmela was our "go to" person. We went to her for answers to our dilemmas when we couldn't figure things out on our own. She was our listening ear who had the skill to listen, offer advice, attend to her grandchildren, work on her computer, take care of business, and answer the phone all at the same time. Most times, we wanted to be with her just to hang out with her.

*I HAVE FOUGHT A GOOD FIGHT,
I HAVE FINISHED MY COURSE
I HAVE KEPT THE FAITH
II TIM. 4:7*

Carmela had a strength that we all drew from, and grew from. Being with her just made you want to be a better person. Carmela was a hard worker, and when she played, she played just as hard. You would know this to be true if you ever saw her pitch when she played baseball, or when she played paddleball. Carmela was a great cook. We all loved her chicken parmigiana and her tomato cucumber salad. Carmela loved children, her own as well as the children of New Life For Girls. She always had time for hugs. Carmela lived by an uncommon standard of excellence. She was a no-nonsense woman who gave us her best, and expected each of us to do the same. She was our mentor, teacher, encourager, confidant, role model, and for those who knew her well, the type of friend that comes along once in a lifetime. Countless lives have been forever changed as a result of having been touched by Carmela's life and her leadership. We miss her deeply and it is our hearts desire to honor her life and her legacy by living as she did.....
