

NEW LIFE FOR GIRLS

MINISTRY IN ACTION

LOVING, CARING, AND SHARING SINCE 1972

JULY 2010

My name is Laelle. I am 24 years old, from Lancaster, California. I grew up in a loving, Holy Spirit filled, Christian home with my dad, mom, and two brothers. I had always relied on my parents Christian foundation and never built my own. When I graduated high school I slowly fell for what the world had to offer. The relationship I did have with Christ faded out with every choice I made. I started drinking and compromised my values. I became seductive, and was easily swayed by sin which took me further than I intended to go. I ended up feeling hopeless, with an addiction to sex, men, and pornography. All of my unsuccessful relationships left me feeling used up, unloved, and faithless. God would whisper to me how much He loved me and that He wanted me to come back to Him because He had a very special plan for my life. God brought me from California to Pennsylvania to transform my life. I gave up everything I thought I wanted to finally answer God's call. I am learning to let go and let God have full control. I now want His perfect will for my life. My Dad has always told me to never settle for anything less than God's best. God's love has transformed my heart and given me a solid rock to place my feet.

I THANK GOD THAT I AM FORGIVEN, RESTORED, AND REDEEMED!

FREEDOM SPEAKS

The last few words of Laelle's testimony express what it is like to be free. To know that one is forgiven, restored, and redeemed is the result of the price Jesus paid when He gave His life on Calvary. His blood was shed so that we can all be free. Scripture tells us that we shall know the truth and the truth shall set us free! Another truth from scripture is the fact that God loves us. Jesus loves me, this I know, for the Bible tells me so, are simple words from a simple song. Yet these simple words have the power to transform lives. Laelle has experienced this truth for herself, and now her life will never be the same.

We want to say thank you to all who have served and are currently serving in our nations armed forces. To those families whose loved ones have paid the ultimate price, you are in our thoughts and prayers. It is our hearts desire that you will experience a fresh touch of God's love in your life today.

GOD BLESS YOU

BUILDING PROJECT UPDATE

The sprinkler system for Phase I is now in place, and there are some minor details yet to be completed such as a railing to be installed, along with ceiling fans, fixtures, and other electrical work. We are waiting for the delivery and installation of a water tank, having to do with the water supply to the dormitory. Upon completion of these items, we can then apply for a partial occupancy permit. The area upstairs looks so beautiful, and we are looking forward to occupying the space. We hope that funds will be given towards the balance owed on Phase I. You can see the figures listed below. If you have any questions, please call Kathy at 717-266-5614.

The summer months are historically a slow time for many ministries. We have also experienced a decrease in financial giving. New Life For Girls exists solely due to the sacrificial giving of each one of you, without whom we could not meet our monthly obligations. Thank you for considering us as you pray and decide how you direct your financial giving.

THANK YOU AND GOD BLESS YOU!

We extend our love and prayers to the family of Michelle Taylor who went home to be with the Lord on May 22, 2010. Michelle was a graduate of New Life For Girls. She had a vibrant personality. It was hard not to be affected by her positive spirit. Once Michelle gave her heart to Jesus, her life was transformed and completely changed. Michelle did not allow the diagnosis of pancreatic cancer to destroy her faith in God. She kept loving God, and her family even in the midst of her struggle. Michelle was deeply loved by many people.
